42. Other

Notes

Communication with Customer

- Discussed inspection findings with customer
- Discussed emphasis of IPM (long-term solutions, using knowledge of pest biology, monitoring, trapping, baiting, pest exclusion, all of which lead to effective pest control and minimal pesticide use)
- Gave customer EcoWise brochure
- Discussed responsibilities of technician and customer
- Discussed customer’s pest tolerance level that triggers treatment
- Discussed treatment options with customer
- Gave customer fact sheets or other educational materials (list):
- Discussed possible outcomes of treatment methods, how long they will take, what to expect
- Discussed estimated cost
- Copy sent/given to customer  Date
